Subject: Application of Aztech Communications, LLC for Discontinuance of Service

Dear Secretary Dortch,

In accordance with Part 63.71 of the Code of Federal Regulations, Aztech Communications, LLC (a Arizona Limited Liability Company) formally submits the following application to discontinue providing service.

An original and five (5) copies are enclosed, in accordance with 47 CFR 63.52(a).

The company has cleared its outstanding FCC regulatory fees per confirmation from FCC IBFS this week via email correspondence. It is a CLEC and it primarily had provided local services and intrastate services to consumers in Mohave County in Arizona.

Should you have questions or concerns relating to this matter, please feel free to contact me via the email address or telephone number provided at the top of this letter.

Petition to Discontinue Service

Aztech Communications, LLC ("Aztech Communications") hereby requests, pursuant to the Federal Communications Commission Rule, Section 63.71 of the Code of Federal Regulations (C.F.R.), to discontinue service. Aztech Communications is a domestic non-dominant intrastate service provider in the State of Arizona. It has a Certificate of Public Convenience and Necessity (CPCN) from the authorized telecom state level regulatory agency in Arizona, (the Arizona Corporations Commission), to provide local and long distance services in the State of Arizona as a reseller and facilities based provider.

Aztech Communications is a company organized under the laws of the State of Arizona. In support of the request of Aztech Communications, for authorization to discontinue service, the following information is submitted pursuant to the Federal Communication Commission Rule, 47 C.F.R. Section 63.71.

1. The name, address and telephone number of the applicant:

Aztech Communications, LLC
1297 Boundary Cone Rd., Suite F, Mohave Valley, AZ 86440
Phone: (928) 577-0100
Fax: (928) 577-0103

Correspondence concerning this application should be sent to:

Industry Assurance Consulting, Inc. (IAC)
6303 Blue Lagoon Drive, Suite 400, Miami, FL 33126
Phone: (786)-350-2702
Email: compliance@iacadvice.com

2. Date of planned service discontinuance:
February 20, 2011 with a 30 day notice having been properly provided to the affected customers per Federal Communications Commission and Arizona Corporations Commission rules.
3. Points of geographic areas of service affected: **Mohave County in the State of Arizona**
4. Brief description of the type of service affected: **Local and long distance services**

5. Brief description of the dates and methods of notice to all affected customers:
Dated January 11, 2011, Aztech Communications sent out letters to customers notifying them of its intent to discontinue providing service, effective as of February 20, 2011. The letter was prepared in compliance with the Federal Communications Commission Rule, Section 63.71 of the Code of Federal Regulations (C.F.R.). As such, it provided the customers at least 30 day notice. The letter was also prepared in compliance with R14-2-1107 of the Arizona Corporation Commission rules on Application to Discontinue or Abandon Local Exchange Service Area.
6. Non-dominance of the carrier with respect to the service being discontinued:
Aztech Communications is a non-dominant carrier with respect to the services it proposes to discontinue.
7. Service:
In accordance with Section 63.71(a) of the Federal Communications Commission rules, Aztech Communications, LLC has mailed a copy of this application to the Governor of the affected state (the State of Arizona), to the affected State public utility commission (the Arizona Corporations Commission) and to the Special Assistant for Telecommunications for the Secretary of the Defense.
8. Circumstances of Discontinuance
Aztech Communications management decided to pursue other business interests. It was felt that dissolution of the company was the most expedient way to exit the industry.
9. Conclusion
Pursuant to the Federal Communications Commission Rule regarding 47 C. F. R. Section 63.71, Aztech Communications understands that this application will be automatically granted on the 31st day after the Public Notice is released, with no Commission notification to Aztech Communications, unless the Commission has notified the company that the grant will not be automatically effective.
